DON SNYDER'S SCHOLARSHIP CHALLENGE

Don Snyder created a scholarship challenge to raise funds for Haven High Graduates and sends this message: *"To all my classmates of the 1960's, I would like to challenge you to match my Scholarship Fund Donation of $500.00 per year! Your generosity helps our community's future generations!"*

The following people have made one or more donations in response to Don's challenge: Don Snyder, 1962; John Chain, 1963; Judy Langley, 1968; Delmar, 1961, & Barbara, 1963, Kincaid; and Jim Hill, 1964. The challenge is still active.

Classmates wishing to participate may donate a designated amount for five years. It could be $500 or any other selected amount that fits your budget. The funds would be due January 1. The criteria of the awards includes scholarship, extra curricular activities, and financial need. The HHSAA scholarship committee and the Haven High guidance counselor choose the scholarship winners from the candidates who complete the scholarship forms listed on the HHS website and the HHSAA website.
