

# Congratulations to all the Class of 2019 for their many accomplishments!!

## 2019 SCHOLARSHIP WINNERS

Selected by

HAVEN HIGH SCHOOL ALUMNI ASSOCIATION

Thank you to all the members of the HHSAA who generously donate to provide scholarships for Haven seniors!

HHSAA's President Tim Carmichael presented scholarships to four Haven graduates during the recent awards ceremony.

HHSAA Scholarship Chair Jean Beal presented the Dr. Sally Coberly Scholarship and the Gayle Norris Memorial Scholarship.

\*\*\*

**For the fifth year, HHSAA sponsored a \$500 scholarship to honor a veteran of military service. Steven Seck,** 1994 graduate of Haven High, is the veteran selected for the 2019 honor. Seck, retired SSGT, served in USMC from 1997 to 2013.

**Jaden Mullins** is the 2019 recipient of the Veteran's Scholarship. Jaden plans to attend Fort Hays State to study nursing. Jaden has actively participated in numerous service activities including leadership roles in Kansas Association of Youth and FFA. She served as sports manager for varsity baseball and lettered as football statistician for four years. During her high school years, Jaden earned dual college credits and received the certified nursing aide license and C.P.R certification. She has served in many worthwhile community volunteer activities and has worked in her family business. Jaden's dad, grandfather, great-grandfather and other family members have honorably served in the military.

**Macy Hoskinson, Sierra Nisly, and Hayden Peirce** are the recipients of \$500 scholarships provided by the Haven High School Alumni Association's membership.

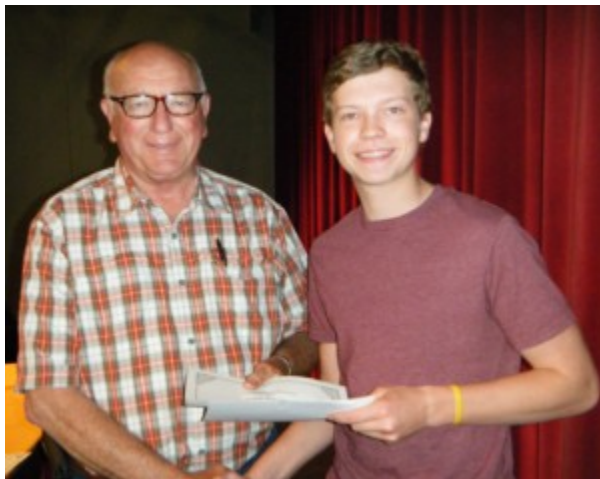

---

**Macy Hoskinson** plans to study agriculture education and attend Hutchinson Community College and Kansas State University. She has served the Haven FFA Chapter as an officer for two years and was on the volleyball and softball teams for three years. Macy was a band member for two years. During her junior year, Macy was inducted into the National Honor Society.

-

**Hayden Peirce** plans to attend Colorado School of Mines or Kansas State University to study mechanical engineering. Hayden's achievements include 4.0 GPA, National Honors Society, vice-president of student council, KAY-Club, FFA honors for land judging and agronomy, Life Smarts Nationally Qualified, Scholar's Bowl, and a church mission trip to Thailand. In addition to the many extracurricular activities, Hayden works on his family farm.

-

**Sierra Nisly** plans to attend Emporia State University and study elementary education. Sierra's activities include officer in KAY-Club; band, jazz band, and Trash Cats; National Honor Society; forensics; volleyball, basketball, softball, power lifting state champion in 2018, Iron Club and Letterman's Club. Sierra was on the honor roll all four years and was placed in the Pratt Academic Olympics Journalism News Writing competition. She has also served the community through many volunteer activities; participated in reading to Haven elementary students for three years, and completed a mission trip to Colorado.

### **JAMES BUDGE AWARDED THE 2019 Dr. Sally Coberly Scholarship**

**James Budge** is the recipient of the 2019 Dr. Sally Coberly Scholarship that she established in 2012. Dr. Coberly graduated from Haven High School in 1967 and retired as the Deputy Director of the National Health Policy Forum in Washington, D.C. The scholarship is awarded to a student who has excelled in debate, forensics, and scholar bowl competition and/or excels in composition/writing skills.

James plans to attend Fort Hayes State and study marketing and political science. James has won awards in high school activities that include debate and forensics, band activities and drum major; class officer, student council president, Fellowship of Christian Athletes, FFA, KAY-club, Letterman's Club, Life Smarts state champion and national participant, winner of Veteran's of Foreign Wars Voice of Democracy Essay Contest, outstanding physical science student, tennis, and trap shooting competition. He has participated in numerous church and volunteer service activities. He worked with Schwab for SOS Campaign and Estes for U.S. House Campaign.
