October 2023 Reunion

“Once a Wildcat, always a Wildcat!”
This rang true the evening of October 13 when approximately 100 HHS Alumni reunited. It was a wonderful evening of reconnecting with former classmates. During the business meeting, the following 2023-24 Alumni Board of Directors was approved:

Kathy Geffert, President
Bill Popp, Vice President and WOH
Mike Fahrback, Treasurer
Kathy Edwards, Secretary
Jean Beal, Scholarship Chairman
Judy Langley, Director
Lisa Vierthaler, Director
Roger Vierthaler, Director

Special recognition was given to Wendell Hill for being the alumni from the earliest class. He graduated in 1946 and still sings the HHS School Song nearly every day!!!! Way to go, Wendell!!!

Phillip Fishburn, Class of 1975, was honored as the 2023 Wall of Honor Inductee. Phillip served on Rep. Dan

Glickman’s staff for 4 years and later became KS Secretary of Agriculture. More recently, his involvement with the MAP Program assisted many communities (including Haven) in receiving funding for water improvement projects. If you’d like to make a nomination for the Wall of Honor, go to havenhighalumni.org where you will find more information as well as forms.

HHS Alumni Website

Our website has recently been updated. If you’re using your phone, you may need to specify the page you want to see. For instance, to visit the memorial list, you can type “haven high memorial list” in the search bar. Computers and iPads appear to be working ok. havenhighalumni.org

Plan to join us at next year’s reunion, which will be on October 11, 2024. “The best part of memories is making them!”
